

MEET THE PROFESSORS

Take part in these small-group sessions during which an expert in the field of sleep medicine or sleep research leads an informal discussion on a single topic. Tickets are required for admittance. Advanced registration is strongly encouraged as seating is limited and sold on a first-come, first-served basis. Lunch is provided at these sessions. Meals are pre-selected with standard dietary needs in mind and cannot be substituted to accommodate special needs.

CE Credits for psychologists are not provided for Meet the Professor sessions.
