

APSS Program Committee

A Joint Committee of the American Academy of Sleep Medicine and the Sleep Research Society

Michael Sateia, MD, Chair
Dartmouth-Hitchcock Medical Center, Lebanon, NH

H. Craig Heller, PhD, Incoming Chair
Stanford University, Stanford, CA

Valerie Crabtree, PhD
St. Jude Children's Research Hospital, Memphis, TN

Suresh Kotagal, MD
Mayo Clinic, Rochester, MN

Teofilo Lee-Chiong, MD
National Jewish Medical and Research Center, Denver, CO

Michael Littner, MD
VA Greater Los Angeles Healthcare System, Sepulveda, CA

Naresh Punjabi, MD, PhD
Johns Hopkins School of Medicine, Baltimore, MD

Paul Shaw, PhD
Washington University School of Medicine, St. Louis, MO

Hans P. A. Van Dongen, PhD
Washington State University, Spokane, WA

Kenneth Wright Jr., PhD
University of Colorado, Boulder, CO

Jerome A. Barrett
Executive Director

EDUCATIONAL OPPORTUNITIES

SESSION FORMAT DESCRIPTIONS

- C POSTGRADUATE COURSES** — Intensive reviews of a sleep research or sleep medicine topic presented in a full-day or half-day session format prior to the scientific program.
- S SYMPOSIA** — Two-hour sessions focusing on the latest data and ideas in sleep research and sleep medicine.
- D DISCUSSION GROUPS** — Forums for informal presentations of a specific topic, which may include conversations on controversial subjects or pro/con discussions and presentations.
- W CLINICAL WORKSHOPS** — Reviews of the latest clinical challenges in sleep medicine. Workshops may include presentations or discussions of controversial clinical topics or difficult clinical situations that demonstrate the critical thinking process in clinical sleep medicine.
- M MEET THE PROFESSORS** — Small-group lunch sessions during which an expert in the field of sleep medicine or sleep research leads an informal discussion on a single topic.
- L LUNCH AND LEARN: PRO/CON DEBATES** — Large-group lunch sessions during which two experts in the field of sleep research or sleep medicine debate on a single topic.
- I INVITED LECTURERS** — One-hour lectures during which senior level investigators/clinicians proficient in specific scientific areas present in their areas of expertise.
- O ORAL PRESENTATIONS** — 15-minute presentations during which investigators present their latest research and new ideas in the field.
- P POSTER PRESENTATIONS** — Visual representations of the latest research and new ideas in the field.
