EXHIBITOR REGISTRATION

Each exhibiting company receives four (4) complimentary Exhibit Hall pass registrations per 10’x10’ booth rental, with a maximum of 20 complimentary Exhibit Hall pass registrations. These registrations allow entrance to the Exhibit Hall only. Additional Exhibit Hall pass registrations may be purchased; $50 each by May 20, 2022, or $75 on-site, plus administrative fee.

Exhibiting companies also receive one complimentary exhibitor Full-Meeting registration, which includes entrance to the Exhibit Hall and general sessions. Any additional individual exhibitors who wish to attend any scientific portion of the meeting will be required to register as an exhibitor Full-Meeting attendee and pay the required fee.

Avoid Late Fees - Exhibitor registrations and/or changes made after May 20, 2022, will need to be done onsite in North Carolina and will incur a $25.00 administrative fee per registration.

The APSS requires exhibitors to register prior to the meeting. If a company representative chooses to register on-site or is not pre-registered, the individual must provide proof of affiliation, such as a business card, and provide payment. Please note that there is a $25 administrative fee per on-site registration, and you might expect delays at the exhibitor registration counter.

On-site changes to pre-registered company representatives are to be made by the primary company contact designated on the application. For this reason, it is important to notify the APSS should the primary contact change between applying for exhibit space and the start of SLEEP 2022. No swapping or substituting of badges is approved until permitted by the primary company contact. Please note there is a $25 administrative fee per on-site change.

Exhibitor badges will be distributed at the exhibitor registration counter during SLEEP 2022. Company representatives and meeting attendees must wear a badge in order to enter the Exhibit Hall. Badges must be worn at all times. Altering an exhibitor badge with the insertion of a business card is not permitted. Guest badges will not be issued for exhibitors’ guests.

EARLY ACCESS FOR EXHIBITORS

Booth personnel are permitted access to the Exhibit Hall two hours before and one hour after the official exhibit hours. An exhibit badge is required for entrance. Admittance during move-in or move-out times is limited to those individuals employed by the exhibiting company or directly responsible for installation/dismantling.

EXHIBIT COLORS

Drape colors are black. The aisle carpet color is midnight blue.

Exhibitor Rules & Regulations

ACCESS TO EXHIBIT HALL
No one under the age of 18 is allowed on the exhibit floor during move-in/move-out. No one under the age of 16 is allowed on the Exhibit Hall floor during official Exhibit Hall hours. This includes move-in and move-out. All company representatives must always wear their exhibitor badges. Independent service contractors must wear a badge to access the Exhibit Hall for booth installation. Contractors may pick up a badge at the SLEEP exhibitor registration counter.

AMERICANS WITH DISABILITIES ACT
Each exhibitor is responsible for compliance with the Americans with Disabilities Act (ADA) within its booth and assigned space.

BOOTH CONDUCT
No exhibitor may operate in a way that interferes with the rights of another exhibitor. Exhibits and display materials may not span beyond the space allotted or into common aisles. All exhibits should be presented in a professional manner. Operation of sound devices is allowed if the volume is not disturbing to other exhibitors as determined by APSS management. The APSS reserves the right to curtail exhibits or parts of exhibits that are deemed inappropriate or unprofessional. The following practices are disallowed by the APSS:

- Loud electrical or other mechanical apparatus disturbing other exhibitors
- Theater seating arrangements of any kind for more than five (5) individuals
- Use of professional actors, magicians or performers (may be allowed with prior approval)
- Canvassing outside the booth including aisles, entrances or any other public space
- Entering another exhibitor’s booth without permission
- Live music
- Displaying or distributing helium balloons
- Door drops at the official meeting hotels (sponsorship opportunity)
- Photographs of attendees or another exhibitor’s booth without permission
- Smoking in the convention center
BOOTH CONSTRUCTION
Each exhibit booth space, except for island booths, will have an 8’ draped background and 3’ side drapes. Within perimeter and in-line booths, all display material is restricted to a maximum height of 4’ in the front 5’ of the booth, and a maximum height of 8’ in the back 5’ of the booth.

An island display, bound on four sides by aisles, may use the full cubic content of space. The company name, product, logo or floor support may not exceed 28’ in height in the exhibit hall, and sufficient see-through areas must be provided to ensure the view of adjacent exhibits. No exhibit may span an aisle by roofing or floor covering. Double-decker or two-story booths are not permitted. Exposed, unfinished sides or exhibit backgrounds must be draped to present an attractive appearance. Inspection of the exhibits will be made during set-up and exhibitors will be notified if any deviation from the APSS exhibit rules is noted. In the event the exhibitor is not available, the decorator, with the approval of the APSS, will provide draping deemed necessary and submit charges to the exhibitor.

CANCELLATIONS, REFUNDS & REDUCTIONS IN SPACE
All notices of cancellation or space reductions must be received in writing. The date of receipt of such notice will be used as the official cancellation/reduction date. Notices received prior to April 15, 2022, will incur a admin fee equal to 20% of the total contracted space costs. Refunds will not be given for cancellations/reductions received after April 15, 2022. The APSS reserves the right to reassign booth space and/or booth numbers for any company who reduces their booth size. All refunds due based on actual booth assignment will be processed and returned following the booth assignment notification letter.

CARPETING
The Charlotte Convention Center is a non-carpeted Exhibit Hall. All exhibiting companies are required to carpet the full extent of the square footage assigned. This applies to all booth types (in-line, corner, and island). Carpet must be ordered through Freeman Decorating; additional information and pricing details will be available in the Exhibitor Service Kit in mid-March.

DEMONSTRATIONS/ PROMOTIONAL ACTIVITIES
All demonstrations and promotional activities shall be confined to the space allotted to each exhibiting company in the Exhibit Hall. Exhibitors and their personnel, or any other company/organization, including those not exhibiting in the Exhibit Hall, are prohibited from displaying or demonstrating products, soliciting orders, or distributing advertising materials anywhere in APSS contracted space including but not limited to convention centers, conference centers and hotels. Theater seating of any kind in an exhibitor’s booth may not exceed seating for five (5) individuals.

DRESS CODE
The dress code at SLEEP 2022 is business casual. All exhibitors are required to adhere to this dress code; the APSS reserves the right to remove any exhibitor who does not comply with this dress code from the Exhibit Hall or meeting space.

FINANCIAL STANDING
At any time leading up to SLEEP 2022, if it is determined that an exhibiting organization is not in good financial standing with the APSS, AASM or SRS, the APSS reserves the right to cancel the booth rental and apply that money to the outstanding debts of the exhibiting organization. The organization will be informed of this decision and will have 30 days to cure all debts. Only organizations in good financial standing will be allowed to exhibit at SLEEP 2022.

FDA REGULATIONS
Exhibitors should be aware of the Food and Drug Administration (FDA) restrictions on the promotion of investigational and pre-approved drugs and devices. The FDA also prohibits the promotion of approved drugs for unapproved purposes.
FIRE REGULATIONS
The Fire Department has strict rules concerning fireproofing of all material used in booth construction and furnishings, as well as securing oxygen tanks and other flammable substance. Should your exhibit include an oxygen tank or other flammable substance, please be sure it is properly secured. It is necessary for you to bring the manufacturer’s certification that your booth materials are fireproof. If inspection indicates that an exhibitor has neglected to comply with these regulations, or otherwise incurs fire hazards, the APSS reserves the right to cancel all, or part of the exhibit proven to be irregular. If exhibitors fail to comply with applicable fire regulations, the APSS is not obligated to monetarily refund any exhibitors.

Fire regulations prohibit the storage of empties behind any exhibit or drapery. Exhibitors may maintain a one-day supply of materials within their booth. All excess materials must be removed from the exhibit floor.

FOOD AND BEVERAGE DISTRIBUTION
Exhibiting companies will be allowed to distribute small, 1-ounce portions of individually wrapped candies. Distribution of any other food or beverage items requires payment of a non-refundable administrative fee and approval from the APSS and is subject to the rules and regulations of the Charlotte Convention Center and the Charlotte Convention Center Catering Company. Any companies distributing samples of their food or beverage product may be required to obtain a permit from the City of Charlotte. All requests should be submitted in writing to the APSS by no later than April 18, 2022. Permission will be granted on a limited basis and the APSS reserves the right to deny permission for any food and beverage distributions. Exhibitors may not dispense alcoholic beverages of any kind.

HANDOUTS AND GIVEAWAYS
Handouts and giveaways, including prize contests and drawings, are permitted by the APSS. Please indicate on the enclosed application the intended handouts/giveaways. Permission for all handout and give-away items must be obtained prior to the opening of the Exhibit Hall and materials will only be distributed inside assigned booth space. Any distributed leaflets are limited to information about the company’s products/services. Exhibitors may not hand out flyers of any kind announcing events occurring at times other than the dates of the SLEEP 2022 meeting unless prior approval has been granted. The APSS in its sole discretion shall have the right to prohibit the distribution of any samples or handouts that violates Exhibit Hall policies, deems objectionable or is otherwise inappropriate. The distribution of tote bags within your exhibit space is permitted provided that your company pays the sponsorship fee to participate in the program. See the Exhibitor Application to add bag handouts to your sponsorship total.

INDEPENDENT SERVICE CONTRACTORS
Exhibitors may opt to use independent service contractors (ISCs) for installation and dismantling of exhibit booths. If such contractors are used, the exhibiting firm has the responsibility of notifying the APSS in writing using the form contained in the Exhibitor Service Kit. Without such notification, the ISC will not be permitted to assemble your booth.

Independent service contractors are responsible for notifying the APSS of the booths they will be working in and must provide proof of insurance coverage by April 19, 2022. Communication with an ISC, including the rules and regulations of this prospectus, service kit, and all other exhibit information is the responsibility of the exhibiting company with which the APSS has a contractual agreement. ISCs may not solicit business. Any violation of APSS rules regarding ISCs activities or building rules in any way may result in denial of access and trespass from the facility. ISCs must wear a badge in order to access the Exhibit Hall for booth installation. ISCs may pick up a temporary badge at the SLEEP 2022 exhibitor registration counter for move-in and move-out. If ISCs are utilized during show hours, it is the responsibility of the exhibitor to register and issue each individual an Exhibit Hall only badge, which must be worn. Other forms of identification will not be honored. It is understood that SLEEP 2022 name badges are the property of the APSS and are not transferable. ISCs shall only work in the Exhibit Hall or other areas deemed necessary for their exhibitor. Exceptions may be granted and are made at the sole discretion of APSS management. In the event that ISCs need to work outside the move-in and move-out times, the exhibitor may be required to pay for additional security.
LIABILITY
The APSS is not and will not be liable or responsible for any injuries, theft, loss, damage of whatever nature, direct or indirect, to exhibitors, their employees, agents, goods, or property of any of the foregoing from any cause or omission whatsoever. The exhibitor agrees to protect, save and hold the Associated Professional Sleep Societies, LLC and the Charlotte Convention Center, and all agents and employees thereof (hereinafter collectively called Indemnities) forever harmless for any damages or charges imposed for violations of any law or ordinance, whether occasioned by the negligence of the exhibitors or those holding under the exhibitor, and further, the exhibitor shall, at all times, protect, indemnify, save and hold harmless the indemnities against and from any and all losses, costs, damages, liability or expenses (including attorney’s fees) arising from or out of or by reason of any accident or bodily injury or other occurrences to any person or persons, including the exhibitor, its agents, employees or business invitees, which arise from or out of or by reason of said exhibitor’s occupancy and use of the exhibition premises, the convention center or any part thereof. All exhibitors must make provisions for the safeguarding of their own goods, materials, equipment, and display at all times and are responsible for obtaining insurance in such amounts as deemed appropriate to comply with the exhibitors’ obligations herein and for the exhibitors’ own protection. The space occupied by each exhibitor must be surrendered in the same condition as it was at the time of the exhibitors’ use and occupation thereof (ordinary wear and tear expected). APSS shall have sole power in the interpretation and enforcement of all regulations contained herein, and the power to make amendments thereto and such further regulations shall be considered necessary for the proper conduct of the exhibition. Such decisions shall be binding upon exhibitors.

REJECTION OF APPLICATION
The APSS reserves the right to reject an application, refuse rental of display space, cancel booth space after an application is approved, or curtail or close exhibits or parts of exhibits at any time prior to or during SLEEP 2022. In addition, the APSS reserves the right to deny booth space to organizations and companies that are direct competitors or do not fit within the mission of APSS. The enforcement of this right is at the sole and absolute discretion of APSS management.

SECURITY
The APSS will provide security to monitor the hall during move-in, exhibition and move-out. The APSS is not responsible in any manner for the guard’s actions, omissions, or damages, or claims which may result from such actions or omissions. Neither the APSS nor the Charlotte Convention Center will assume responsibility for exhibitors’ property. Valuable items should be placed in a locked compartment in the booth or removed from the hall after show hours. If exhibitors would like their own security, they are also required to use the services of the Charlotte Convention Center.

PHOTOGRAPHY AND VIDEO RECORDING
Photography or video recording, other than by the APSS or press approved by the APSS, is prohibited during installation, exhibition, and dismantling. No photography or recording devices of any kind will be allowed on the exhibit floor or in the meeting rooms during these times. Exhibitors have control over their rented space and may prevent those considered their competitors from gaining access to, photographing, videotaping, or otherwise mechanically recording their exhibits or presentations. If meeting attendees are photographing, videotaping, or otherwise mechanically recording exhibits or presentations, exhibitors should promptly notify meeting staff. Violation of this rule could result in the confiscation of the film or recording device, deduction of points and/or the removal of the individual or exhibiting company from the Exhibit Hall or meeting room.
SELLING PRODUCTS
The APSS will permit on-site sales within the SLEEP 2022 Exhibit Hall. In order to conduct on-site sales, exhibitors must strictly adhere to all applicable rules, policies and procedures prior to, during and following the annual meeting. Exhibitors choosing to participate in direct sales must clearly indicate such intent on their application and contract for exhibit space. Exhibitors are solely responsible for (i) paying all applicable state and/or city sales taxes; (ii) complying with all tax laws, regulations and policies of the meeting’s host city and state; and (iii) complying with any other associated tax laws, policies, regulations, or requirements. The APSS is not responsible or accountable in any way for sales conducted within the Exhibit Hall, collection or payment of sales tax, compliance with applicable tax laws, or for any violations made by an exhibiting company concerning sales tax, or any other applicable tax laws, policies, regulations, or requirements.

The exhibitor must provide all information and complete all applications requested from the host convention center, host city and/or host state prior to, during and following the annual meeting. The APSS is not liable for providing an exhibiting company’s relevant information.

North Carolina law requires all exhibitors making sales in the exhibit hall to (i) obtain a temporary registration certificate from the State of North Carolina prior to the date of the meeting; and (ii) report and pay the appropriate business and occupancy taxes and collect the appropriate retail sales tax on all applicable sales. Exhibitors failing to comply with the laws regarding Exhibit Hall sales will be removed from the Exhibit Hall. Exhibitors must provide APSS with a list of products and/or services that are intended for sale during the annual meeting no later than April 19, 2022. The APSS may decline the sale of any product and/or service within the Exhibit Hall, in its sole and absolute discretion. Sales cannot be conducted outside of the SLEEP 2022 Exhibit Hall at any time during the annual meeting. All exhibitors are required to adhere to the rules and regulations outlined within the exhibitor prospectus; the APSS reserves the right to remove any exhibitor who does not comply with the Exhibit Hall or meeting space’s rules and regulations.

STAFFING OF EXHIBITS
Exhibits must be staffed and operational at all times during show hours. Exhibitors vacating their booth before the closing of each day or prior to the final close of the show will incur a loss of priority points and may be denied exhibit space at future SLEEP meetings. Move-out may not begin before 1:30 p.m. on Wednesday, June 8, 2022.

SUBLETTING/SHARING
No subletting or sharing of exhibit space is allowed. Exhibitors may show only products or services manufactured or dealt by them in the regular course of business. The featuring of a name or advertisement of a non-exhibiting firm or business is prohibited.

UNIONS AND CONTRACTORS
Exhibitors agree to abide by the rules and regulations concerning local unions having agreements with the exposition facility or with authorized service contractors employed by exhibit management. Only the official contractors designated by exhibit management will be permitted in exhibit areas unless otherwise authorized by exhibit management. Exhibitors are cautioned to observe the regulations as provided herein. Failure to comply with these or any other regulation or any amendments thereto may be sufficient cause to require the immediate removal of the offending exhibitors.

USE OF APSS AND SLEEP 2022 NAME/LOGO
The Associated Professional Sleep Services, LLC (APSS) and SLEEP 2022 name, logo and acronym are proprietary and may not be used in signs, advertising, promotions or on any product literature either inside or outside the Exhibit Hall. This rule applies before, during and after the SLEEP meeting, unless prior authorization has been received from the APSS.
